Date:	18/09/2002	total N° of pages :	1

Ref.: Letter of Intent of the interest of AT&S Consulting in participating as partner for the SKILL SHORTAGE proposal:

1- Roles proposed for AT&S Consulting:

- Project implementation in Spain
- Project management, including leading works with Latin Amrecian partners
- ICT consultancy, including market and field studies related with SMEs
- ICT developments, including Internet tools and applications
- Implementation and use of its Knowledge Management tool "AESOPIAN" (based on a former EU funded project). See more in: <http://www.ejeisa.com/nectar/aesopian/summary.htm>
- Dissemination actions (including the use of our free newsletter "Sinergias EuroLatinas")

2- Partner category: profit making partner (involved in activities/costs "for profit")
Also may act as a subcontractor of a main partner.

3- AT&S background: www.ictnet.es/+atorres/developments_eng.htm

Please do not hesitate requesting more information.

Sincerely yours.

Armengol Torres.
