**@LIS Call for proposals / e-learning and cultural diversity
Pilot project named "SKILL SHORTAGE"**

LETTER OF COMMITMENT

For taking part at the project "SKILL SHORTAGE"

GEORGIKI ANAPTIXI VOCATIONAL TRAINING CENTER, undertakes the responsibility to work on the pilot project "SKILL SHORTAGE", submitted by **LRE-EGO-CreaNET Research Educational Laboratory of the University of Florence-Italy**, under the @LIS programme.

We would like to be involved through all the steps foressed by the promotor but, according to our competences and past experience, we propose that our contribution could be specifically given to:

- Cooperate with all partner organisations in the desing, develop and testing innovative models for knowledge management, aiming to improve their traditional role, in the entrepreneurial processes of organisational development and human resources, particularly linked with the introduction of ICT.
- Guidelines fore anticipating training needs of new skills in SMEs concerning e-business.
- Participate in pilot project or experiences.
- Contribution to the collection of European Knowledge management case studies and best practices.
- Participation in transnational meetings, and collaborative learning models for exchange of experience.
- Dissemination of promotional materials.

According with it we declare our interest, agreement and commitment with the project and the intention of collaborate to reach the goals and also in the actions of disseminations of the outputs.
