50144 FIRENZE

In the meeting Dr Simone Sorbi, Head of the Department, formally accept that the *Tuscany Region - Dipartimento dello Sviluppo Economico Area delle Politiche Regionali dell'Innovazione e della Ricerca* (RT), will be the Applicant of *SKILL SHORTAGE ALIS Proposal* (SKSH), also He accepts to cover the role of General Secretary of the Project Steering Committee.

Dr Simone Sorbi suggests the following:

- 1) The RT's contribute (in cash) for sustaining SKSH will be about 300.000 Euro
- 2) Therefore Dr Sorbi suggests to pull up the total budget to 2.8 Millions Euro.

As the matter of facts the RT thinks that it will be a good opportunity to open the Consortium's Membership to three more partners, because the RT can sustain the SHSK proposal through the interregional program of innovation in Europe network IRE (<http://www.innovating-regions.org>).

- 3) Finally The RT want congratulate with LRE/EgoCreaNet and all the partners and all stakeholders and the Consortium's Members for the efforts that they spent until now and declares the proper strong co-operation for the successful of SKSK e.learning in cultural diversity in ALIS Proposal (deadline 31 October 2002).

RESPONSABILE
Simone Sorbi
