

## LETTER OF INTENT

This is to officially confirm our intent to participate in the Mental Change project as a coordinator of the Bulgarian NIG consortium, comprised of members of the following organizations:

- Center of Science Studies and History of Science at the Bulgarian Academy of Sciences - a core team of about ten senior researchers and their doctoral students;
- Institute of Mathematics and Informatics at the Bulgarian Academy of Sciences
- two senior researchers (Mathematical Statistics, Mathematical Linguistics);
- University of National and World Economy – two Professors in Human Resources Management;
- Sofia University, Faculty of Journalism and Mass Communications – one Professor in Sociology of Communications, Head of (UNESCO) PR Department;
- Bulgarian Chamber of Commerce – The President, Professor in Economic System Analysis;
- Agency for SMEs – The Vice President, Professor in Logistics management;
- AFCEA-Sofia Chamber – The President, Senior researcher in Informatics and Telecommunications;
- Association for Diffusion of Scientific Knowledge “Democrit” - The President, science journalist;
- experts from the Ministry of Education and Science.

We hereby approve of the general framework of the project, proposed by Prof. Paolo Manzelli.
