**Object: letter of interest to the LRE/EgoCreaNET project under the European @lis
Call for Proposals - 2002**

The undersigned, Mr. Roberto Rosati – Councillor at Economic Development, as the representative of the Local Authority of Prato, hereby states that **Comune di Prato**, and the Prato Industrial District, are very interested in the demonstration project named "Skill Shortage", where the Applicant is Tuscany Region.

Hereby, I declare the Prato best intention in supporting the dissemination of information to the citizen of our District, and to co-operate to best achieve the final objectives of the project.

We have read and approved the contents of the project to be submitted the European Commission, and We undertake to comply with the principles of good partnership practice.

Sincerely

Roberto Rosati
Councillor at Economic Development
Comune di Prato
